

June 21, 2017

Dear Roger:

I am responding to your letter dated June 7, 2017 titled "Invitation and Request" I suspect all of us receiving your letter fall into the H.R. category.

Lois I made an unmistakable or planned move out of our home in Monroe, N.C. where we lived 15 years after retiring. Our 4 children and spouses came to assist us in preparing the house to put it on the market while several of our church friends had already moved us to our assisted living quarters here in Monroe. It was all done over this last Christmas holidays. Sort of like a whirlwind! But we are getting settled-in and ^{at} are ^{at} piece about the move. Our new address is:

John and Lois Kyle
918 Fitzgerald St.
Monroe, N.C. 28112

Our phone number remains: 704/291-7157

Also, our Email continues: john-lois_kyle@wbti.org

We have not had much time to continue any ministry formally but to continue to assist PCA people in various mission ministries as able. Recently our PCA churches pastor resigned our church as senior pastor after planting it successfully. He and Tom Hawkes of our downtown PCA church who has helped start 3 PCA churches have been requested by RTS Charlotte to begin teaching or directing a church planting course at RTS and to also be involved in planting a new PCA church in a well established part of Charlotte. I met with two of the visitors to go over potential monetary people who might be of assistance. I also donated my library to RTS Charlotte.

Our family needs have been met and our children and friends from our church have gathered around us to keep us moving on the "right courses". Lois and I became 90 last summer and our family had a great celebration. Then last week we celebrated 70 years of marriage with family and friends and even participated in a news interview for NBC television Charlotte. - Roger, thanks for your concern and our praying members.

Yours in Christ
John L. Kyle

P.S. Sorry about the handwritten letter:
