Roger,

Here is my Honorably Retired report, as you asked. About eight months or so ago, Martha and I sold the "horse farm" and moved to Independence of Patrick Farms in Pearl. It is a no maintenance golf course condo community with a good many amenities, and we love it. God has blessed.

I still try to stay reasonably busy, and especially enjoy preaching assignments. I recently finished a stated supply assignment at Philadelphia. Please let all the brothers know of my availability to fill their pulpits.

I still ride my horse with some regularity as well as my motorcycle. Martha and I are both in good health and spirits and hope God will bless with a long retirement. Life is good!
