

Robert Hays 2018 Annual Report

During the past year, I have been actively involved in several different types of what I hope will be remembered as useful service. I recently taught a Sunday School class at Pearl on the Confession. I preach when invited - that probably happens about a fourth of the time. I meet with Adam almost every week to discuss matters concerning the pastorate. Recently I have been moderating a discussion of issues RC Sproul brings up in his series, Dust to Glory, on Wednesday evenings. In addition to these things, I fill in where needed - singing in the choir at Pearl, helping with communion, etc.

Martha and I celebrate our 50th wedding anniversary in June and have a couple of trips planned for that. Other than that, I get up when I wake up, spend much too much time on the computer, ride my Harley, and generally enjoy life. I can tell the heart situation is getting worse, but they told me at the VA that would be the case.
