QUARTERMAN YEARLY REPORT

mtw
Mission to the World
1600 N. Brown Rd.
Lawrenceville, GA 30043

Dear Fathers & Brethren,

June 11, 2018

We've served with MTW for **FORTY YEARS**. I would again request permission to labor out of bounds with MTW in Ukraine. Here's a summary of my ministry activities in the past year.

SPEAKING:

Lectures on Missiology at Lydia Women's Institute. Preached 8 sermons. I returned to Ukraine during HMA to teach a 3-credit Masters course on Ministry and Christian Education. I taught seminars at the West Coast Conference in California, and the GMC Conference in Dallas. I taught devotionals at the Ukraine Medical Outreach Conference in NC. During our HMA I have spoken in 10 churches. I taught at a church leaders' retreat in Kiev and met monthly with them last summer.

WRITING:

Published and a Zeitschrift on the Reformation, and *Breath of God in the Borderlands: A Short History of the Evangelical Presbyterian Church of Ukraine (EPCU)*, which was used for a polity seminar for Reformed and Presbyterian pastors in Ukraine. I wrote a follow-up to the "Preparing for Leadership" course for training deacons and elders.

ACTIVITIES:

We finally located a seminary campus property and purchased it in September. I drew up the various floorplans and was involved in the banking and negotiations with our Dutch sponsors. Remodeling continues and we hope to have our first classes there in early 2019. Thank you for your prayers.

I wrote and produced a promotional video for the seminary: "Celebration & Continuation."

I continue on the Academic Staff of ERSU Seminary, and I help interview new students and take part in Board and Staff meetings. I'm in charge of Christian Education for the two Reformed denominations, and I've been planning a CE conference for this coming October. Until we left in October, we participated in the church's weekly English club in Kiev, and I participated in Team Meetings, presbytery, committees, and webinars. I spent four weeks in camp at our intensive seminary sessions, and I attended various conferences in Greece, California, Dallas, and Truskavets, Ukraine.

We moved back to the USA in October for a year-long HMA, to raise much-needed funds for ERSU. Has your church considered helping with this ongoing REFORMED influence in Ukraine? We need you! Please contact me for a visit or for further information, and visit our site. **ERSU NEEDS REGULAR SUPPORT** which can be given through MTW (Account #95995). Please lead your church to consider partnering with **ERSU Seminary** for a completely **Reformed, Covenantal, and Connectional** mission ministry. We need your help!
