Re: Laboring Outside Bounds of Presbytery

Dear Fathers and Brothers of Mississippi Valley Presbytery

Thank you again for allowing me to labor outside the bounds of presbytery for another year as the South Region Coordinator for Evangelism Explosion International. This has been busy year since my last report with the following highlights:

Everyday Evangelism Launches: I taught in 7 launches the states of Georgia, Texas, North Carolina, Alabama, and Florida with a total of 66 people being certified from 32 churches

Share Your Faith workshops: I taught in 9 workshops in the states of Arkansas, South Carolina, Alabama, Mississippi, and Arkansas with 153 people being trained to share the gospel from 13 different churches.

XEE Launches: participated in 2 launches in two states, Texas and South Carolina

EV2 semesters: participated in 2 churches in Mississippi

Lead the South Region IFW Retreat, Feb. 9-12, at Lake Oconee, GA

In June I had an EE exhibit booth at the 43rd PCA General Assembly

In May I lead our USA staff in devotions during our quarterly Day of Prayer and Fasting

In addition to these highlights I supervise 18 local coordinators over a 16-state area, recruit and train staff, advice and inform local pastors, attended presbytery meetings, carried out numerous administrative responsibilities, and coach another region coordinator.

Thank you for your assistance in this ministry. Please grant me the status of a teaching elder in good standing laboring outside the bounds of presbytery for another year.

Your brother in our Lord Jesus,

Dr. James H. Stewart, South Region Coordinator of USA, Evangelism Explosion International
