To The Presbytery of Mississippi Valley

Thank you for allowing me to labor outside the boundaries of Presbytery for the last eighteen years. During these years I have had the privilege of ministering to the students at the University Medical and Dental School at the UMC in Jackson.

I am requesting honorary retirement as I am stepping away from some of the responsibilities I have had for the past fifty years. The Lord continues to open new opportunities to serve Him. Beginning in September I will be ministering part time at Mississippi College in the capacity of Small Group /Discipleship Co-ordinator with Fellowship of Christian Athletes.

Please accept my appreciation for the long-standing relationship with the Presbytery of Mississippi Valley.

Your Brother and Friend in Christ,

Jimmy Turner
