Fathers and Brothers,

Find below a report of recent events.

"CH (CPT) Joseph Wright, USA, 407 Air Expeditionary Group, Jordan (PCA-Mississippi Valley) "Glorifying God, Serving Airmen, Pursuing Excellence." This is the motto of the Air Force Chaplain Corps. It has been an honor pursuing this standard while deployed. And what a deployment it's been! First, I was sent to "an undisclosed location in SW Asia." I was preaching the Traditional Service and was the chaplain to the Maintenance group. I was learning, growing, and had just solidified a routine, and then...I got forward deployed. At 1400 I was notified that I would be catching a 2200 flight to "an undisclosed location in Jordan." I've been here now for almost two weeks and have been tasked with 'standing up' a Chapel. It has been tremendously challenging, and unbelievably instructive. I'm the only chaplain on the ground here, so it's been extremely busy. We have a Men's Study on relationships and purity on Tuesday nights, an expositional Bible Study on Acts on Wednesday nights, and two Protestant Worship Services on Sunday. Prayer Requests: Please pray for me, for this base as it's being built up, for the airmen and soldiers here, and for my family back home. Pray especially for Summer, we've just found out that "a mistake" was made on my deployment orders...so instead of being a 165 day tour getting me home at the end of October, it is now a 210 day tour getting me home in late December. Summer is processing it all well, but between this being our 1st deployment, the 2 month extension, and the forward deployment, it is becoming a lot for her to take in. Pray also for Grady, Owen, and Murray, that God would overwhelm them with His grace, love, and peace in my absence. If you have any questions, please let me know.

By the Crown and Covenant,

Ch Wright

JOSEPH G. WRIGHT, IV, Chaplain, Captain, USAF
