

Report from the Reverend Larry Wissel laboring out of bound at West Union Presbyterian Church in Louisville, MS, an Independent Presbyterian church.

To the Fathers and Brothers of the Presbytery of the Mississippi Valley, I am continuing to labor at West Union and will be completing my ninth year of serving as their Pastor. The church is mostly an older congregation, however we have added some younger people recently and had the first infant baptism in some forty years several months ago.

I have been preaching through Paul's letter to the Ephesians since last March and I have just entered the fifth chapter. I am very blessed by a congregation that enjoys expository preaching.

The church has an active outreach to a number of para-church ministries. I believe that one of the most significant being the support of the Ukraine Biblical Seminary in Kiev. We have a class graduating this July after five years of study and I will be going to Ukraine to address the graduates. So, please be in prayer for our graduates and for Dr. Richard Watson, who continues to administer to Seminary.

I thank you for your continued support and fellowship.

Yours in Christ

Larry L. Wissel
