Dear Faithful Brothers of the Mississippi Valley Presbytery:

Colleen and I finished our three-year tour in Germany and we moved back to the States in May of this year! We had a tremendous time in Germany. The ministry, people and food were all awesome! We are now living in San Antonio, where I will be a student for the coming year at Brooke Army Medical Hospital. As we are getting settled, we are enjoying attending Christ Presbyterian in New Braunfels, Texas. I have also met two other PCA Chaplains who are at different stages in their Hospital education, one Army and one Air Force. During this year I will be taking 4 units of Clinical Pastoral Education (CPE), or in other words learning how to be a hospital Chaplain. The ministry will be tremendous and I'm looking forward to more of God's faithful blessings in the year to come.

Prayer Requests:

1. Pray that I would continue to grow as a Chaplain and that I will be a powerful witness for Christ in the hospital setting.
2. Pray for the many patients, staff and medical personnel with whom I will be ministering daily. Pray that the Holy Spirit will work through me to reach many for Christ.

Sincerely,

CH (MAJ) Lenny Siems
