

Annual Summary Report  
To Mississippi Valley Presbytery  
June 2016  
Robert C. (Ric) Cannada, Jr.

Ministry through Reformed Theological Seminary

- Met with Ligon Duncan, Chancellor of RTS, at least monthly to give counsel/advice on RTS
- Contacted in person or by phone a number of RTS donors and prospective donors
- Participated in RTS Donor events and Board meetings
- Represented RTS at the EPC General Assembly
- Missed the PCA GA because the PCA and EPC Assemblies overlapped
- Attended MVP called meeting about the Racial reconciliation committee report
- Attended MVP meeting and retreat in February at Twin Lakes

Ministry through Karawaci Presbyterian Church and YPPH Foundation in Indonesia

- Made 6 trips to Indonesia from June 2015 through June 2016 - August, November, December, March, April, June

KPC as an evangelist under MVP

- Continued to strengthen a PCA-type church and denomination that is still in mission status with members but no officers yet – The confessional statement is the same as the PCA; the BCO is an adapted version of the PCA BCO.
- Established a large daughter church in Manado, in the eastern area of Indonesia, called Christ Chapel Manado.
- Preached on Sunday mornings either in KPC or in Manado at least 2 or 3 times on each trip to Indonesia. At KPC we now have 3 Sunday morning services attended by @ 1600 in the first service, @ 800 in the second service, and @ 150 in the third service. Christ Chapel Manado has @ 500 people in attendance. I supervised the preachers, order of worship, etc. for the Sundays when I was not in Indonesia.
- Taught an Inquirer's Class for new members two times.

- Received 25 more new members and baptized one of them on profession of faith, along with several infant/child baptisms
- Officiated at two communion services for the congregation
- Led weekly meetings of a temporary group operating as a kind of “session” under my authority as evangelist, composed of a PCA ruling elder and an ordained EPC teaching elder; approved minutes of each meeting
- Met individually and counselled with a number of the members and prospective members of KPC

#### YPPH Educational Foundation

- Taught, in person or by teleconference, principles of Reformed theology to @ 15 people monthly who are the leadership of the foundation, the university, and the school system with which I work in Indonesia
- On each trip to Indonesia, taught in person principles of Reformed theology to @ 15 people who are the lecturers in theology and Bible at the university
- On each trip to Indonesia, met as an advisor/consultant with each member of the top leadership of the foundation and the university
- On each trip to Indonesia, preached once at the faculty and staff chapel at the university to @ 2500 people
