

Wayne Herring 2018 Annual Report

1. I have continued to work for the PCA General Assembly Administrative Committee as the main Development person on staff. Last year I talked or connected with over 300 PCA Churches. We did make our budget; barely!
2. I assisted Bebo Elkin in the growth and development of Consulting Services Foundation. Among other things, we especially visited RTS campuses encouraging students to get their data forms into the Stated Clerks office, helped with student placement, and helped Pulpit Committees and Pastors find each other. We also counsel students from time to time concerning the ministry and many other things.
3. I taught a 12 week course on “The History of The Reformation” at First Presbyterian Church of Hattiesburg, Ms. and also at First Presbyterian Church of Yazoo City.
4. I have spoken, taught or preached once or more times at Westminster, Vicksburg; Providence and Pine Haven of Clinton, Covenant of Cleveland, Brandon Presbyterian, Forest Presbyterian, Woodland of Hattiesburg, First of Kosciusko, First of Indianola; Grace of Starkville, Grace of Jackson, Tn.; Edwards; Westminster Chapel of Nashville, Tn.; New Albany ARP; First Presbyterian of Macon, Ga., and First Presbyterian of Yazoo City.

By God’s Grace, my 19th Grandchild was born on May 4th. I remain in good health, and am happily married into my 3rd year to Dr. Dena Gibson. We live on her farm 7 miles outside of Raymond, Ms. and I get to MOW a whole lot of grass!
