Dear brothers and sisters in Christ,

I would like to report on how the Lord continuously bless our (me and my wife) ministry in Indonesia.

I am still the president of the Reformed Evangelical Seminary in Jakarta and Esther is the director of the master program in professional counseling.

Our seminary is a small seminary with 190 students from more than 30 denominations including charismatics . The largest charismatic church in Indonesia (with more than 100.000 members in Surabaya East of Java) sent one of of their leaders to take master program in our seminary recently. One of my dreams is to develop a spirit of the unity of the body of Christ that our reformed theology will be accepted in all denominations in Indonesia. I was invited to be one of the keynote speakers in their annual conference for world mission this year.

Three of our graduates have had finished their Ph.Ds (from Purdue, Arizona State, and Calvin Seminary) and they are now strengthening our seminary programs. We were blessed with the supports from several universities and seminaries around the world. Since 1992 we have a good support from RTS Jackson Mississippi (the Late Dr. Knox Chamblin, Dr. Richard Pratt, and Dr. Simon Kiestemaker), Fuller Theological Seminary, Kampen Netherlands, and Calvin Seminary that are committed to send at least two professors each year to our campus in Jakarta.

Hope that you may send Mr. Roger Collins to have a visit with us that we may introduce him with the real challenge and condition of Christianity in Indonesia.

We pray that the Lord bless the presbytery meeting with His presence.

Sincerely,

Rev. Yakub (Jakub) Susabda Ph.D.
