Dear Roger,

After I resigned from my position as the president of the Reformed Theological Seminary in Jakarta Indonesia last October 2016, I thought that I will have more time to develop several other ministries like marriage enrichment groups and writing more books. But in reality I was trapped by preaching and lecturing ministries more than before.

This month I traveled to Surabaya (east Java) and Toraja (central celebes) to give four days training in Counseling to 70 pastors, before I will lead seminar and preach in Fresno , San Jose, San Francisco and Los Angeles California in my Summer time with my daughters and their families. Then I will be one of the main speakers in the Asian Conference for Christian Counselors in Thailand.

Yes the seminary in Jakarta is in His blessings as always. I and Esther are still fulltimers there, with each of us has to teach 6-7 courses for this semester, plus counseling ministries on campus and in our Hope Counseling and Assessment Center in Karawaci Tangerang on Friday from 8.00 - 18.00.

I and Esther hope that the Lord will allow us with a good health to be in His ministry until He calls us back home. We are celebrating our 71th birthdays this June 2017.

May His Name be glorified as always.

Sincerely

Yakub and Esther Susabda
