Dear Dr. Taylor,

Greetings.

The Presbytery of the Mississippi Valley at our Stated Meeting of May 3, 2016 unanimously voted to send the attached overture to the 44<sup>th</sup> General Assembly together with the attachments cited therein.

We are humbled by the realities related in this overture and pray that the Lord will forgive and heal so that we as a presbytery may truly reflect his glory in Mississippi. This presbytery “recommits itself to bear fruit in keeping with our repentance, seeking appropriate courses of action and reconciliation humbly, sincerely, and expeditiously, for the glory of God and the furtherance of the Gospel...” To our Lord and Christ be all glory and honor.

Thank you for your labors in putting this before the General Assembly. Please let me know if I need to follow up in any way.

Sincerely,

Roger G. Collins  
Stated Clerk
