Roger, MVP,

I have been Stated Supply for Newton Presbyterian Church since September 15, 2012. I have told the Session of Newton Presbyterian that I will be leaving at the end of this September. I hope to find part-time work or stated supply in the near future. I would also like to ask for honorable retirement effective August, 2013. Will you take care of this or send to appropriate committee? I am in the middle of a two week vacation and at Mcdonald's and my battery is going dead. If you need more info for report or retirement, please let me know.

Thanks,

In Christ,

Charles Douglas, TE
