

Presbytery Report for Chris Wright

Over the last year I have continued to exercise my gifts in ministry to pulpit supply for Lebanon Presbyterian Church. I have preached, lead worship at times and taught Wednesday evening prayer meetings. It has been a great blessing to serve this church and community for the last 18 months.

I also continue to work at Trustmark Bank on a part time basis. During the last year I have sent my MDF to multiple churches and continue to earnestly seek a full time call to pulpit ministry. I currently am in contact with 6 different PCA churches, some local some in other states. All of these contacts are very early in the process, but I am hopeful that one may be the church God will call me to. I am also exploring a possible teaching position in Belhaven University's adult studies program.

I ask the presbytery to continue to pray for me as I seek the right place for the Lord to use me in ministry. This second year being without a call has been difficult in many ways but God continues to provide and I have been well supported by friends in ministry and my family. I also ask that he presbytery continue to allow me to remain on the rolls without call for another year.
