1. Continue to teach classes at Belhaven Aspire program. Teach Old Testament and Christian Interpretation and Doctrine and Implications.
2. Preaching on the circuit. I am available to preach on Sundays. I am preaching at one church, a Congregational Methodist Church once a month for a Chaplain friend who is deployed right now.
3. I continue to Chair the Mission to the Military committee. I am speaking in churches about the committee and still would like to show the film Honoring the Code.
4. Still working full time for the VA/Vet Center. I am able to tell many vets about the benefits of what we do! MY goal is to retire from the VA in October of 2019.
