Dear Roger,

This is my yearly report as a TE member of the Presbytery of the Mississippi Valley who is ministering outside the geographic bounds of the Presbytery. This past year I have continued to serve as the Stated Supply of the McDonald Presbyterian Church, Collins, MS, in Grace Presbytery. The church's sermons are now available on SermonAudio.Com/McDonaldPCA. This past May, the congregation voted to elect me as pastor, and I finished the D.Min. program at RTS. I request the Presbytery of Mississippi Valley to transfer me to Grace Presbytery pending reception.

May God bless!

Grover Gunn
