Dear Fathers and Brothers,

I greet you in the name of the Lord Jesus Christ!

It is my pleasure to report what the Lord has been doing in and through Covenant Church. There have not been many changes externally. However, we feel that we have grown together in the gospel. We came to have a deeper understanding and appreciation about what the church community is. For example, one of our members expressed recently after coming back from his family vacation in the States, *"Just wanted to say that I have LOVED being with all of you the past two Sundays. Though we really enjoyed and benefitted from our three months in the States, I have realized since returning what a sweet group of believers God has brought together at Covenant. Thank you for being such a great blessing to me and my family."* Many of us praise the Lord for making us a body of believers that are growing in love and fellowship.

We are seeking to be a member church in the IPC (International Presbyterian Church) in Korea. The decision has not been finalized yet. We are putting our request before their presbytery meeting in the fall. I will surely let the MVP know as soon as the decision is made.

Once again, I thank you for your concern and prayers for Seoul Covenant Church. I covet your continued prayers. Please pray for us that the Lord will continue to strengthen Covenant Church so that we can remain strong and faithful in proclaiming the gospel truth to those both Christians and non-Christians in Seoul.

God's peace and grace be with all of you!

Sincerely Yours,

TE Jae Yoo
