Re: Annual Report:

Dear friends in Christ,

As you know I have been the stated supply for Shiloh Presbyterian Church for quite a while now. The church recently celebrated my thirty years of service as their pastor in April 2017. Even though the congregation is small the members continue to be faithful and love the Lord dearly.

Also, I am continuing as the Dean of Adult Studies at Belhaven University. Our programs continue to expand including both graduate and undergraduate degrees. I am very blessed to work for Belhaven and the work is a ministry all its own.

Finally, I would like to thank the Presbytery for its support and continued encouragement in my service to the Lord at Shiloh Presbyterian.

Even though I presently do not have a specific call I request that my name remain on the rolls of Presbytery.

All the best in Jesus Christ,

Kenneth R Elliott
