Re: Annual Report:

Dear friends in Christ,

It has been a very exciting year for me, completing my first year as Dean of the Adult Studies Program here at Belhaven University. We have added many new programs and expanded our biblical studies classes to more students. Also we have added a Master Science leadership degree with a ministry concentration. I've had a very active role in these new developments.

I'm also continuing to be the state's supply for Shiloh Presbyterian Church, now completing 27 years as their pastor. The people at Shiloh Presbyterian Church are faithful and love the Lord dearly. I very much would like to continue as their stated supply.

In the past year I was also able to teach a Bible study on Ephesians at Providence Presbyterian Church in Clinton Mississippi. I know it was very encouraging for me and I believe it was for those who took the class.

I also had a number of opportunities to preach at various churches in the PCA and also bring devotionals to a number of businesses here in the Jackson area.

I would like to thank the Presbytery for its support and continued encouragement in my service to the Lord in these areas.

All the best in Jesus Christ,

Kenneth R Elliott
