Re: Annual Report:

Dear friends in Christ,

As you know I have been the stated supply for Shiloh Presbyterian Church, now completing 29 years as their pastor. The church is small but the people of Shiloh are faithful and love the Lord dearly. I very much would like to continue as their stated supply.

Even though I presently do not have a specific call I request that my name remain on the rolls of Presbytery.

Also I am continuing as the Dean of Adult Studies at Belhaven University. As the Dean I oversee the teaching faculty for courses in Bible, Psychology, Social Science and also the Master's programs.

Finally, I would like to thank the Presbytery for its support and continued encouragement in my service to the Lord at Shiloh Presbyterian.

All the best in Jesus Christ,

Kenneth R Elliott
