June 3, 2016

Dear Fathers and Brothers of The Presbytery of the Mississippi Valley,

I write to submit my annual report being on the roll without call with permission to labor out of bounds.

I continue to labor as a Manager of Systems Engineering for HanesBrands, Inc. in order to provide for my family.

I continue to regularly attend worship at Redeemer Presbyterian Church (PCA) in Winston-Salem, NC.

I assisted the clerk of the Piedmont Triad Presbytery with a project to update and publish church and presbyter information on the presbytery's website and to equip presbyters for better connection and communication within the presbytery and denomination

I served as Editor for two books written by Stu Epperson. The first book ("Last Words of Jesus – First Steps to a Richer Life") was published in 2015. The second book ("First Words of Jesus – From the Cradle to the Cross") is being readied for publication.

Please pray for me as I fill a request to preach and serve communion at Grace Fellowship (PCA) in Asheboro, NC on June 19. The church planting team is trying to "help maintain the health of the core group that is there" until they can finalize the calling of a church-planter to relaunch Grace Fellowship.

I request to continue on the roll of presbytery with permission to labor out of bounds for an additional year.

I covet your prayers as I will continue praying for you!

For the glory of God and advancement of Christ's kingdom,

Tim Muse
