June 6, 2017

Dear Fathers and Brothers of The Presbytery of the Mississippi Valley,

I write to submit my annual report being on the roll without call with permission to labor out of bounds.

I continue to labor as a Manager of Systems Engineering for HanesBrands, Inc. in order to provide for my family.

I attend regular worship at Hope Presbyterian Church (PCA) in Winston-Salem, NC.

I have preached and served communion at Grace Fellowship (PCA) in Asheboro, NC. The church planting team is trying to “help maintain the health of the core group that is there” until they can finalize the calling of a church-planter to relaunch Grace Fellowship.

I request to continue on the roll of presbytery with permission to labor out of bounds for an additional year.

Respectfully,

Tim Muse
