June 11, 2017

Dear Fathers and Brothers of The Presbytery of the Mississippi Valley,

I submit my annual report being on the roll without call with permission to labor out of bounds.

I continue to labor as a Manager of Systems Engineering for HanesBrands, Inc. to provide for my family.

I attend regular worship at Hope Presbyterian Church (PCA) in Winston-Salem, NC.

I ask for your prayer regarding my desired membership transfer to the Piedmont Triad Presbytery. I've met with their leadership committee and requested a transfer but not yet been recommended to the presbytery. I will continue to work with the committee and hopefully the process will progress so I can serve the church and local presbytery and be transferred off the PMV role.

I continue in my circumstances to exercise my calling and use my gifts as I have opportunity publicly and privately including preaching, praying, and administering the sacraments. I ask for your prayers as I anticipate opportunities this summer to preach the Word and to encourage & edify the saints.

I request to continue on the roll of presbytery with permission to labor out of bounds for an additional year.

Respectfully,

Tim Muse
